**What it is, and How Corrected.**

Astigmatism or Irregular Vision is one of the most common of all the refractive errors. It is due to the irregular curvature of the eye known as the cornea. Of course no instrument is sufficient to correct it, but in the hands of a thoroughly efficient and competent eye specialist the ophthalmometer reveals the exact condition of the eye in a way that nothing else can. If your eyes need attention have DR. J. T. JOHNSON to put them under this wonderful instrument. Office hours 8:30 to 12:30 2 to 6. 302 S. Elm St.

## THE "BUTTERFLY FETE"

Last Night One of the Prettiest Events of the Season.

Last night occurred the much-heralded "Butterfly Fete," given by the "Busy Bees" of St. Andrew's Episcopal church, at the Vernon lawn, corner Asheboro and Lee streets. The event was quite a success.

A telegram representative arriving upon the ground about 9, found the lawn a scene of the most brilliant loveliness. Diana's beams were dispensed with, and innumerable Chinese lanterns suspended from the boughs of the trees and artistically arranged among the shrubberies, cast a soft sheen over a large and joyous assemblage of the city's youth and beauty. Rare and radiant young women, and handsome young men, were seated nonchalantly about the garden of loveliness, indulging in light and pleasant conversation. The gentle wind whispered in the trees, while the dulcet strains of Bogart's Band floated on the enchanted air.

The "Butterflies," who were the most captivating young maidens attired in vari-colored costumes, and who resembled angels, flitted here and there, sylphlike, bearing the delicious and cooling refreshments.

The affair was, without further words, beautiful, elegant, and an entire success. The revelries, happy and harmless, were carried on till the wee sma' hours of the night, the guests taking their departure with the most extreme reluctance.

The "Busy Bees" realized a neat sum from the festival, which goes to a worthy cause.

Miss Cora Peck took the prize, an elegant "Butterfly" cake, which was offered the most successful young refreshment-vender.

## A DELIGHTFUL DANCE.

Given Complimentarily to Mr. Appleton Staples, Last Night.

The dance given in McAdoo Hall last night, complimentary to Mr. Appleton Staples, who has been doing duty in the army hospital corps in Cuba, from whence he returned yesterday, was a pleasing success in every way. The hall was much more pleasant than expected and the light fantastic was gracefully tripped from 10 to 1:30 o'clock. The dancers were:

Miss Lizzie Balsey and Will McAdoo.  
Miss Julia Settle and J. W. Powe.  
Miss Margie Lyon and Temple Horry.  
Miss Virginia Shober and J. Wesley White.  
Miss Sarah DeButts and Alexander.

Miss Walker Fry and Harry Bradley.  
Miss Brown, of New York, and Richard DeButts.  
Miss Chalmers, of Virginia, and John Glenn.  
Miss Nettie Sloan and M. B. Bailey, of Winston.

Miss Maud Hunter and Robert Boyd.  
Miss Pannell, of Reidsville, and Vanstory.  
Chaperons, Mr. and Mrs. Julian Price.  
Stags, Messrs. Williamson, Petty and Michaux.

The Greensboro Orchestra furnished inspiring music for the occasion.

## ASHEVILLE GETS THE BAND.

Famous First North Carolina to Locate There.

The First North Carolina Regiment Band will locate in Asheville, that city having outstripped her numerous rivals in offering inducements. Capt. Alexander, who was here this morning, said that Asheville's offer was accepted and the deal closed yesterday. In Asheville the band will get a greater number of local engagements than in any other city in the state perhaps, but the management had a desire to locate in Greensboro on account of the better railroad advantages and the easy accessibility of almost any town in which the band is likely to make an engagement. But Asheville offered the greater inducements and is to be congratulated. The band passed through Greensboro in their private car this morning enroute from High Point to Elton College where they play during commencement. At High Point last night the band's engagement was cancelled. A large crowd, we are told, occupied seats in the street in front of the opera house expecting to hear the concert "gratis." Their disappointment was great.

## Gala Week Lawn Fete.

The next great event of the season will be the gala week lawn fete, to be given on Mrs. Jackson's lawn, on Spring Garden street next Friday night, June 9th, for the benefit of the West End Hose Company. The lawn selected is an ideal place for the event and a successful party may be expected. Pretty girls will serve all the seasonable refreshments. Don't miss it, for besides spending a pleasant evening you will help a worthy cause.

## SCHURMAN COMING HOME

After a Three Weeks' Cruise Among Southern Islands.

## THE JAPANESE GOVERNMENT

Is Reported to be Arming in Order to Check the Encroachments of Russia in China.

By Wire to THE TELEGRAM.

Manila, June 7.—President Schurman will sail Friday for a three weeks' trip among the southern islands. He expects to investigate the local government of the islands and will take with him several leading natives. He will sail for home in July. The other commissioners will remain here for some time.

The Second Oregon volunteers have returned to their barracks here, preparing to return to the United States. The First California will soon follow, and the First Nebraska and First Colorado next.

London, June 7.—The Japanese government has made overtures to England in support of the Japanese demands upon China for prompt reparations for the massacre of eleven Japanese scientists in the Liaotung peninsula.

It is learned that the Japanese are arming to prevent Russian encroachment upon Japanese interests in China.

## FITZSIMMONS-JEFFREYS FIGHT.

Chief Police Devery Trying to Keep Away Big Crowd.

By Wire to THE TELEGRAM.

New York, June 7.—Spotting men about town say that Chief of Police Devery has issued an order for the purpose of keeping down the attendance at the fight. They say the Coney Island Sporting Club is a regularly licensed organization and cannot be interfered with by the chief of police. It is further stated that the chief of police made no attempt to stop the bouts of Corbett-Sharkey or Sharkey-McKay, though the latter ended in a knock-out.

## A Small Fire This Morning.

There was a small fire at the residence of Mr. J. A. Porter, on Cedar street, this morning. The flames started in a closet and were extinguished by members of the family with the aid of neighbors, before much damage was done. Some of the neighbors phoned up town and the court house bell was rung to give the alarm. Several of the firemen reached the scene of the conflagration, but their services were not needed. It is said that the alarm box near the residence was tried but failed to work.

## Valuable New Citizen.

Mr. E. J. Davis, one of Winston's most prominent citizens, a member of the firm of Davis & Foltz, insurance agents of that city, was here yesterday making arrangements to move his family here. Mr. Davis has accepted a lucrative position as special agent for the Southern Stock Mutual & Underwriters companies, of this city, and will enter upon his new duties on the first of July.

The Telegram extends him and his family a warm welcome to the "City of Flowers" and wishes him unbounded success.

## The New Enterprise Starts.

Our plant is completed and we begin to do washing Thursday morning, June 8th. Neither care nor money has been spared to equip ourselves for the best service possible. We sincerely desire the patronage of the good people of Greensboro and the surrounding towns and country. Send us your laundry, we guarantee the rest. Gate City Steam Laundry.

## Reidsville Band Abroad.

A telephone message to the Telegram from Reidsville announces that the Reidsville Cornet Band has gone to Chatham, Va., to make music at the unveiling of the confederate monument at that place.

Have you looked into the matter? Thacker & Brookmann still have two or three dozen pairs of the mens sample shoes and odd pairs worth \$3.50, \$3.00, \$2.50, &c., to be closed out at \$1.95. It will pay you to investigate before the best ones are all sold out.

## Heat at New York.

By Wire to THE TELEGRAM.

New York, June 7.—Mercury is still trying for a record. At 9:30 this morning it stood at 86. It is predicted that the number of yesterday's prostrations were surpassed at even that early hour.

## NOTES FROM HIGH POINT.

The Local News From Our Neighbor Briefly Told.

TELEGRAM BUREAU  
HIGH POINT, N. C., June 7.

The railroad men here were surprised to learn of the sudden death of their "brother," Conductor Tom Sumner, which occurred at Spencer yesterday. He had charge of the work train which was here last week.

Chief of Police Bennett and "Clem" Mocc attended superior court at Greensboro yesterday.

Children's Day exercises will be observed at the M. E. Church next Sunday morning. This day is becoming quite an interesting one, especially to the young folks.

Mrs. W. C. Hammer, wife of the editor at the Asheboro Courier, passed through the city last evening going to Winborn, S. C.

Mr. Chas. Tilden and family, who have been visiting relatives at Jamestown for several days, returned home 7:12 last night.

Strange things do occur. One day this week a nest containing six hen eggs and the same amount of partridge eggs was found by a person residing on the outskirts of the city. Old mother hen being the larger of the two birds has taken possession and sits in a state of contentment awaiting developments.

The house formerly occupied by Mr. W. H. Ragan, which is to be moved on his lot between the residences of Dr. J. A. Turner and C. C. Muse, on South Main street, is on the rollers today in the middle of the street bound for its destination. Mr. Ragan will build an elegant structure on the lot just vacated by the old house.

The tax listers' books will be closed next Monday. Better list your taxes right away—it may save you some trouble.

The 3-months old child of Mr. and Mrs. Walter Meyers died yesterday of cholera infantum and was buried in High Point cemetery this morning.

The First North Carolina Regiment Band has come and gone a little sooner than we expected it to. Its part of the program came to a close last night when the manager appeared before the audience and announced that there would not be any concert, as the crowd present was too small and the boys were all worn out and needed rest, and that all money paid in would be refunded at the door. Capt. Alexander called the representative here, after leaving the opera house and expressed his sorrow for the disappointment and asked that we do him a favor by stating the circumstances through the paper. Thanks for "Dixie" which they gave us on their march to the hall. Adieu!

## Letter From Citizen.

Editor Telegram—Monopoly at all times and in all branches of industry has in the past and is still proving to be detrimental to the consumer. Human nature will crop out when a man or company controls an industry in a community or country. We are daily seeing the result of such right here in our midst. The people of this city are being imposed on by the monopoly in ice. When we had competition in the sale of ice, you could get two or more deliveries each day and you were not compelled to buy ten pounds of ice when five was all you wanted and could consume. Now it is, the manufacturer dictates to the consumer how many times he shall get ice each day and how much he shall buy, when they will let him have it.

Take the business man on South Elm street. Heretofore, he could buy five pounds in the morning for his cooler and then again in the afternoon the same amount. Now monopoly makes you buy ten pounds at a time or none, making it cost just double what it has before. The ice harvest in the north last winter was abundant.

Rather than be imposed on in this way, would it not pay to organize a company to handle shipped ice, and by serving the public and not the public them, control the ice trade of this vicinity. Whenever competition in any line is forced, the party enforcing the competition to come in, always do the one who succumbs and this will be the case in this instance. No man or firm who depends upon the public for maintenance can dictate terms, etc., to the public. But those who cater to the wishes of said public are the ones who are always unsuccessful. The price of ice in this city is not objectionable. But it is the method by which the citizens have to obtain this useful article, all because the business is in the hands of one firm. There is by all means let some of our monied men organize a company to handle ice and to serve the public, and not the public them. Then it will be some people will learn a good lesson.

## DAUGHTERS OF CONFEDERACY.

Annual United Encampment to be Inaugurated Today.

## THE PRESIDENT TO ATTEND

Tomorrow Afternoon, Accompanied By General Corbin and General Joseph Wheeler.

Special to THE TELEGRAM.

Washington, June 7.—The annual encampment of the United Daughters of the Confederacy will be inaugurated today at noon and will continue until Thursday night. Today will be known as Virginia day and tomorrow will be Maryland day. President McKinley will be in attendance tomorrow afternoon, and will be accompanied by General Corbin and General Joseph Wheeler.

Today many prominent Virginia people will be in attendance at the encampment, and will deliver addresses. Among those whom it is hoped may be present is Senator Daniel. Several members of congress from Virginia will also be in attendance. It had been hoped that Governor Tyler would be present, but word from Virginia received the other day indicates that he may not be able to be present at the encampment. An effort has been made to induce the governor to reconsider his determination and to come to Washington if possible. It is still hoped by those who have the encampment in charge that the governor will so arrange his plans as to be able to come over from Richmond and be at Glen Echo this afternoon. If the governor comes he will be sure to find a big reception awaiting him.

Last night a number of Confederate Veterans went over to Falls Church, Virginia, for the purpose of attending an entertainment, which really marked the opening of the festivities connected with the encampment. Among those who helped to make the entertainment a success was Colonel John H. Alexander, of Virginia, who gave an interesting talk on "Mosby's Men." Many of the old Confederate Veterans who served under the gallant Mosby went to Falls Church with the party mainly to hear this lecture.

Among prominent southern men in Washington is Representative Crawford, of North Carolina, who is here in connection with the contest for his seat by ex-Representative Richmond Pearson. Mr. Crawford is of the opinion that the house will not deprive him of the seat, as he says that Mr. Pearson has absolutely no good grounds for contesting. He ascribes the defeat of his opponent to the fact that prominent republicans in the district failed to line up for him.

In speaking of North Carolina politics, Mr. Crawford says that Bryan will get the North Carolina delegation to the national convention, and that the delegation will be for free silver.

Representative Adolph Meyer, of Louisiana, is also in the city for a few days attending to business before the executive departments. Mr. Meyer believes that there will be an extra session of congress called about the middle of September. Both the republicans and democrats, he says are anxious to close up the work of the next session as congress at an early date in order to allow more time for them to devote to campaign work.

Much interest is manifested in the opening of the bids at the navy department for the construction of the six fine cruisers authorized by the last congress. The impression is that among the bidders will be the William R. Trigg Shipbuilding Company, of Richmond, and it is thought they will carry off two of the contracts. It is said that the figures of this company will be placed so as to come within the limits fixed by congress.

Members of the house of representatives say that during the coming winter a new river and harbor bill will have to be passed by congress. There is some talk that there may be a change in the chairmanship of the committee, but Congressman Burton says that he has no knowledge of any intention to supplant him.

Postoffice site of Beard, Cumberland county, N. C., has been changed two miles east. Albert Downing has been commissioned postmaster.

Post masters have been commissioned in North Carolina as follows: William C. Roberts, Alta; Henry L. Solomon, Ita; and James C. Winstead, Winstead.

Among North Carolina people in Washington are Messrs. C. J. Shearn, of Fayetteville; Albert A. Marks and wife of Raleigh; George S. Powell, Asheville; Miss Milliken, Raleigh, and Mrs. J. L. Rodwell, Warrenton.

## Flascons, Take Notice.

## TRINITY COLLEGE NOTES.

The Commencement Passing Off Pleasantly—Large Crowds.

Durham, N. C., June 7.—The commencement exercises are passing off pleasantly. The pleasure of the occasion would be greatly enhanced but for the intense heat. The crowds are unusually large.

At 4 o'clock yesterday afternoon the annual alumni address was delivered by Dr. E. T. White, of Oxford. His subject was: "Leading Factors in the Lives of Business and Men of Affairs." Just before the address there was a meeting of the alumni, and they came into Craven Memorial Hall in a body.

After Dr. White's address the new Craven Hall was formally presented to the board of trustees by Rev. N. M. Jurney. Mr. James H. Southgate accepted the building on behalf of the trustees. The hall is a handsome granite structure with a seating capacity of about 1,500.

Last night the annual literary address was delivered by Bishop John H. Vincent, of Buffalo, N. Y.

Today is graduating day, and eleven young men and one young lady receive their diplomas.

The donation of Mr. B. N. Duke was made unconditionally, and the trustees have not yet decided what will be done with it, but it is probable that \$25,000 will be added to the regular endowment fund of the college, and the other \$25,000 used to endow the library. The announcement of the gift was cheered. Mrs. B. N. Duke presented to the college a handsome life-sized painting of W. Duke. Extensive improvements will be made in buildings and equipments during the ensuing year.

## Capt. Fry's Position.

An order was issued Monday to the effect that Capt. H. L. Fry who was made roadmaster on the Southern last week would have charge of the Atlantic & Yadkin from Mt. Airy to Sanford and the North Wilkesboro division from Pomona to Wilkesboro.

On the latter road Capt. Fry succeeds Capt. Thomas Bernard who will have charge of the Norfolk division and the main line from Monroe, Va., to Spencer, N. C.

Will Gilbert, of Siler City, is in the  
city on business.

T. W. Trogden, of Asheboro, spent  
last night in the city.

C. E. Ridge and A. B. Hatch, of

door at the main entrance to the Ben-  
bow House.

Hot weather luxuries are discussed  
of in the ad of Rankin, Chisholm,  
Stroud & Rees.

Miss Gray Morehead, of Spray, is  
visiting her sister, Mrs. B. Frank Me-  
bane, on Church street.

Little Miss Mattie Holt, of Graham,  
is visiting her sister, Mrs. Geo. A.  
Mebane, on West Washington street.

Miss Bessie Eller gave a delightful  
social to a number of her friends at  
her home on Bellmeade avenue last  
evening.

Officer Scott last night arrested a  
man named Ringstaff, from Proximi-  
ty, who had taken his dram too fre-  
quently and become overloaded.

Mr. and Mrs. B. Frank Mebane re-  
turned last evening from Danville,  
where they went to attend the funeral  
of Mrs. Mebane's sister, Mrs. Eliza  
Nelson.

The street force was at work on  
Arlington street yesterday. Some  
good work has been done by the force  
recently on East and West Bragg,  
near South Elm.

Robert Wingate's horse broke loose  
from a post to which it was hitched, in  
front of Mr. Wingate's store this  
morning and ran up South Elm into  
East Market street. He ran against  
a buggy occupied by a lady and child  
but no damage was done. The animal  
stopped at the corner of East Market  
and South Davis streets.

About twenty-five young people  
from West End are picnicking at  
Hamburg about 10 miles northwest  
of the city today. They went out this  
morning in three wagons. Hamburg  
is said to be a beautiful place and  
with its many good fishing holes and  
shady nooks is becoming a popular  
retreat with one-day pleasure seekers.

### DON'T PATRONIZE THEM.

Two Book Agents of Questionable  
Character in Town.

For the past two or three weeks a  
man and woman, who travel together  
and both of whom are book agents,  
have been in Greensboro imposing  
upon many of the good people of the  
town. The man introduces himself as  
"Rev. ——" of the South Carolina  
Conference." The two have engaged  
board at the same place a number of  
times and at each place have pretended  
to be strangers. They have not been  
allowed to remain at any one place  
for more than three days, and were  
driven from the last place this morn-  
ing. Whether they have secured  
board at any other place is not known  
but it is sincerely hoped they have not  
and will not. They should be forced  
to leave the city.

### For Wider Fields.

With the opening of the next to-  
bacco season Greensboro will lose one  
of her most valuable and popular citi-  
zens. Mr. J. S. Cobb, of J. S. Cobb  
& Company, one of the largest leaf  
tobacco firms here, is closing out the  
business of that firm preparatory to  
moving to Winston, where with Mr.  
W. D. Currin, of that city, he will  
engage in the leaf business on a larger  
scale. Mr. Cobb's business here has  
been a success and he only leaves in  
search of a larger field. Greensboro  
will lose him with a rare degree of  
regret.

### Fought With a Knife.

Lizzie Pratt, colored, was arrested  
by officers Pearce and Jordan this  
afternoon charged with a assault. While  
walking on East Sycamore street last  
night Mr. Tom Phillips, who lives a  
few miles in the country, met three  
negro women and when he refused to  
give them the sidewalk one of them,  
Lizzie Pratt, turned and stabbed him  
in the back several times with a small  
pocket knife. It is said that Phillips  
was drunk and staggered between the  
women.

### A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children  
and have had a great deal of experi-  
ence with medicines. Last summer my  
little daughter had the dysentery in its  
worst form. We thought she would  
die. I tried everything I could think  
of, but nothing seemed to do her any  
good. I saw by an advertisement in  
our paper that Chamberlain's Colic,  
Cholera and Diarrhoea Remedy was  
highly recommended and sent and got  
a bottle at once. It proved to be one  
of the very best medicines we ever had  
in the house. I saved my little  
daughter's life. I am anxious for  
every mother to know what an excel-  
lent medicine it is. Had I known it at  
first it would have saved me a great  
deal of anxiety and my daughter much  
suffering.—Yours truly, Mrs. Geo. F.  
Burdick, Liberty, R. I. For sale by

### The Yaddin Power Company.

Two car loads of furniture and  
household goods have arrived at New  
London from New York for Dr. Dil-  
lon Brown, the secretary and treasur-  
er of the North Carolina Power Com-  
pany. A large party of surveyors are  
at present engaged on the work and  
active operations will be inaugurated  
upon the arrival of Dr. Brown, which  
is expected in a few days. The com-  
pany has paid out over \$150,000 for  
land in Stanley county. This, with  
the construction work will cost over  
two millions and the resultant mills  
and manufacturing will bring Stanley  
county to the front.

### Will Locate in Rocky Mount.

O. L. Naylor, one of the most popu-  
lar engineers on the Atlantic & Yad-  
kin, has been transferred to Rocky  
Mount to take a position on the At-  
lantic Coast Line. This will, we are  
sorry to state, necessitate the removal  
of his family to that city. Mrs. Nay-  
lor will spend the summer with her  
parents at Jonesboro before going to  
their new home. Mr. Naylor left to-  
day.
